Levels: Please inquire of your coach for appropriate level. We encourage dancers to attempt demanding skills. Their execution of those skills as well as their ability of artistic expression is what will determine their skill level.

- Tumbling is welcome in your dance choreography and will be judged only as it enhances your dance performance. Routines that emphasize tumbling, contortion and acrobatic skills need to be entered in the "acro" or "open" category.
- Please be careful that all choreography, music, and costuming are age appropriate. Our competition is designed for family viewing.
- **Any routine that the judges feel is NOT entered in the appropriate skill level (Beg, Low Int, High Int, Adv) will be judged and awarded in the appropriate skill level division (not the level originally entered in).**
- **Beginning:** 1-3 hrs dance instruction per week. Introductory level, learning rhythm, coordination, memorization. Beginning dance moves (ie. Single pirouette, forward leaps, Chaines)
- **Low Intermediate:** Double/triple pirouettes, side/back leaps. Developing technique & flexibility. Attempting more challenging dance skills.
- **High Intermediate:** Challenging dance movements/skills executed with good technique & flexibility. Emerging artistic expression
- **Advanced:** Very challenging dance movements/skills executed with excellent technique, flexibility and proficient artistic expression.
- **If you dancer has received an "overall High Point" award,** it is definitely time to move up to the next level.

Age Division Soloists enter as the age they will be on the date of competition. Age categories may be divided or combined as needed, allowing no more than 5 contestants in each category. Competition categories will span no more than 2 yrs (example: ages 6-8 yrs, 9-11 or 11-13 yrs, etc.) We do not specify age categories which allows us scheduling flexibility to separate dancers from competing against their class mates.

Props Must be covered with felt, carpet or rubber on any surface that contacts the floor. If the floor is littered during a routine, the dancer must be prepared to clean it up immediately following the routine.

A giant trophy is awarded to the high point dance from each skill level (Beg, Low Int, High Int, Adv). Additional "Specialty" awards are also nominated by judge's choice.
