

How to reserve your space in any of our 2024 Gotta Move! Dance Competition locations:

- Update your participating dancers list
- Enter a title for each routine you wish to reserve space for. If you do not know the title of the routine yet, just enter an estimated title that you will update later.
Example temporary title: “Tues preschool jazz”
- Add in the participating dancers. Dancers can be added or subtracted until 1 month prior to event.
- Choose a genre, skill level and guesstimate your routine time— all can also be updated later
- Pay 50% of the fees due to hold your place.

The balance of your fees are due no later than 2 months prior to each event. However, Early Bird discount deadline is Jan 15th for all competition location/dates.

Preliminary schedules are issued 1 month prior to competitions. Schedules will only include routines that are paid for in full.
